Grand Trans Siberian Express

Train Description

In Russia and Mongolia you travel on board the **Grand Trans Siberian Express**.

The trains are air conditioned. Air condition is working only during the time the train is moving.

Between Ulaanbataar and Peking you have the choice of flying or travelling in chartered cars of a Chinese regular train.

There are 4 categories of accommodation on the Grand Trans Siberian Express:

Category	Number of beds	Extras
Standard Economy	4 beds per cabin	
Standard Plus	2 beds per cabin *)	
Deluxe Silver	2 beds per cabin *)	private shower and toilet en suite
Deluxe Gold	2 beds per cabin *)	private shower and toilet en suite

**) Categories Standard Plus, Deluxe Silver and Deluxe Gold may be booked for single use*

The most popular among the categories are: Deluxe Silver and Standard Plus

Standard Economy - Category 1

The budget way of travelling - 4 persons per cabin

This category is popular with those looking for the most economical way of travelling and is usually booked by families with children or friends travelling together. Standard Economy sleeping cars are equipped with 2 lower beds and 2 upper beds. Toilets and wash basins are at both ends of the cars for the common use. The cars are air conditioned (central control). Air condition is working only during the time the train is moving. Sockets for 220 V are available in the car, capable for razors and loading mobile phones. The cars offer 9 cabins each and may be booked only by 4 passengers travelling together.

Shower facilities are available in Moscow, Irkutsk, Ulaanbaatar and Peking in your hotel rooms where you stay overnight. In addition to that hotel day rooms for showers are at your disposal during stops in Yekaterinburg, Novosibirsk, Krasnoyarsk and Erlian. With exception of the day in Ulan Ude you have guaranteed access to showers once every day of the tour.

Standard Economy cabin dimensions:
Cabin 2,00 x 2,00 m = 4,0 sqm
Lower beds 65 x 185 cm
Upper beds 65 x 185 cm

Standard Plus - Category 2

The most popular category
or 2 persons per cabin

- 1

Standard Plus as well as Deluxe Silver turned out to be the most popular type of accommodation on our private train. Standard Plus cabins are equipped with 2 lower beds and 2 upper beds. While only the two lower beds are used for sleeping, the two upper beds can be used as additional storage for luggage – or they simply can be folded away. Toilets and wash basins for common use are at both ends of each Standard Plus sleeping car. The sleeping cars are air conditioned (central control). Air condition is working only during the time the train is moving. Sockets for 220 V are available in the car, capable for razors and loading mobile phones. The cars offer 9 cabins each and may be booked for double or single use.

Shower facilities are available in Moscow, Irkutsk, Ulaanbaatar and Peking in your hotel rooms where you stay overnight. In addition to that hotel day rooms for showers are at your disposal during stops in Kazan, Yekaterinburg, Novosibirsk, Krasnoyarsk and Erlian. With exception of the day in Ulan Ude you have guaranteed access to showers once every day of the tour.

Standard Plus cabin dimensions:
Cabin 2,00 x 2,00 m = 4,0 sqm
Beds 65 x 185 cm

Deluxe Silver - Category 3

For those looking for great comfort - 1 or 2 persons per cabin

Deluxe Silver sleeping cars offer slightly smaller cabins than on Deluxe Gold cars. Deluxe Silver cabins have a private toilet, wash basin and “wet-room” style shower en suite. Each cabin offers 1 lower and 1 upper bed. Euro-Sockets for 220 V are in each cabin, capable for razors and loading mobile phones and notebooks. The cars are air conditioned (individual control). Air condition is working only during the time the train is moving.

Deluxe Silver sleeping cars have 6 cabins each and may be booked for double or single use.

Deluxe Silver cabin dimensions:
 Cabin 2,00 x 2,70 m = 5,4 sqm
 Lower bed 110 x 185 cm
 Upper bed 80 x 185 cm

Deluxe Gold - Category 4

For those looking for the greatest comfort - 1 or 2 persons per cabin

Deluxe Gold sleeping cars offer the most spacious and comfortable type of accommodation on our private train. Deluxe Gold cabins have a private toilet, wash basin and a spacious shower cabin en suite. Each cabin offers 1 lower and 1 upper bed. Euro-Sockets for 220 V are in each cabin, capable for razors and loading mobile phones and notebooks. The cars are air conditioned (individual control). Air condition is working only during the time the train is moving. Deluxe Gold sleeping cars have 5 cabins each and may be booked for double or single use.

Deluxe Gold cabin dimensions:
Cabin 2,00 x 3,50 m = 7,0 sqm
Lower bed 120 x 185 cm
Upper bed 80 x 185 cm

Grand Trans Siberian Express Train Description

Restaurant Cars

There are 2-3 restaurant cars on the train which serve breakfast, lunch and dinner as part of the full board service to all passengers of the Grand Trans Siberian Express. Local cuisine is part of the menu: Russian cuisine in Russia and Mongolia, Chinese cuisine in China. During sightseeing tours in the cities meals are served in the specially selected local restaurants.

Bar & Conference Area

The most popular car of the train is open to all passengers until late. Come, sit down, enjoy the scenery passing at the window and relax while having a drink and listening to the piano entertainment after dinner.

In the conference area lectures are hold about history, geography, economy and daily life of the regions visited. Films about Russia, Mongolia and China, discussions with your tour guides and a language course introducing the Russian language to you are additional attractions being offered in the conference area.
